VOL. 45, NO. 52

## Around the Square

Not only is it a dirty trick to disregard barricades around construction work, but it also happens to be against the law. Doing it can cost you as much as \$100 plus a stint in jail.

It happened Sunday on the newly-paved portions of South Lima street. One or two thoughtless motorists assumed the street barricades didn't apply to them and went right through.

Luckily, little or no damage was done. City Administrator R. Merritt Baker points out, though, that the entire job might have been ruined by this action. As taxpayers helping to foot the bill—in round numbers, \$28,000—we don't want to see it wasted.

**ADVICE DEPARTMENT:** It also ain't right to leave your car out of gear when parked on a slope. Emergency brakes being what they are, they frequently do not hold.

Bear with us for just one more gripe; then we'll return to our customary jovial style. A politely-worded letter sent "in care of" the NEWS had to be included in the round file this week because it was anonymous. We emphasize, once again, that usually we are willing to withhold names on request. But ALL communications must be signed.

**Monday made us realize Tuesday how nice it was to be able to see the mountains.**

Welcome home, Sgt. John Wolcott, the first of the former National Guardsmen to arrive from Japan for discharge. Five or six other Sierra Madre men—including Sgts. Victor Morgan and Joe Cox—also are reported to be on their way home. Although Sergeant Wolcott checked in briefly Saturday, he won't be transformed into a civilian at Camp Stoneman for two more weeks yet.

**To borrow a cliché from the Navy, a hearty "well done" must go to the Civic Club for its Gay Nineties Revue, "He Done Her Wrong."**

Sierra Madreans really came through for the blood bank yesterday. The Red Cross Chapter reports there were more registrations to donate blood than at any time since World War II.

A blue and white umbrella which adorned the skip loader working on the Kersting Court Triangle yesterday made a colorful addition to the bleak island. It was the best bus-waiting shelter we've seen yet.

## 'He Done Her Wrong' Show Delights Audience

By LEE SHIPPEY

All the Sierra Madreans who could get in to see "He Done Her Wrong," presented by the Civic Club at the Synagogue last Saturday night, had a lot of fun and saw some really fine performing—though now and then the audience participation grew so loud as to be unfair to the performers. The show will be repeated Saturday night, and it is hoped that then some of the really clever and delightful singing and comedy will not be drowned by so much audience par-

### ANOTHER PERFORMANCE?

A third performance of "He Done Her Wrong" is being considered by the Civic Club. The extra show, due to public demand, would be presented on Saturday, Nov. 17. A decision was expected today.

icipation that only those in the first two rows can hear what is sung or said.

The show is on the model of "The Drunkard," which has delighted Los Angeles audiences for 18 years continuously. But Sierra Madre has long been

**FAST ACTION**—Two Sierra Madreans are included in this quartet of 40th Infantry Division soldiers shown going to work on a truck tire change in Sendai, Japan. The fast-action members of the 223rd Regimental Combat Team's Sierra Madre Heavy Mortar Company are, left to right, Cpl. John Graham, 73½ Suffolk; Cpl. Robert Shannon of Canoga Park; Pvt. Jack R. Straten, 821 Skyland Drive; and Pfc. Gilbert Schirmeister of Reseda. The 40th, part of the security force for Honshu, Japan's main island, currently is undergoing extensive air movement training. The local company was federalized in 1950 and went overseas early this year.

## Flower Show Due Friday at Church

Pritchard Hall of Congregational Church will be transformed into a veritable floral wonderland tomorrow, Nov. 9, for the church's annual Community Flower Show. Numerous Sierra Madre organizations as well as individuals will be represented in the show. Displays will include arrangements and specimens of flowers, vegetables, and potted plants. Several junior exhibits also are planned.

The flower show will be open to the public from 2 to 10 p.m. All entries, however, must be at the church before the judging begins at 10 a.m.

Special exhibits are promised by the Garden Club, the Hospital Guild, and Sierra Madre Campfire Girls, among others. Mrs. Noren Eaton, president of the Garden Club, said members of that organization's flower show committee will meet at the church at 9 a.m. tomorrow to receive and arrange flowers entered by their members.

Among the other features of the show will be a "surprise package booth," and other booths offering for sale aprons, fancy goods, and gifts.

### Kiwanians Trek To Claremont

Sierra Madre Kiwanians will journey to Claremont this afternoon, Nov. 8, for an interclub meeting with the Kiwanis Club of that city.

Instead of the regular local meeting Tuesday, Kiwanis members merely signed the roll as a "round table" session.

## Man Pinned While Trying To Push Car

While pushing his car to get it started Friday night, V. Claud Karns, 65, stumbled and was pinned under the wheel.

The freak accident left Mr. Karns with numerous bruises and pavement burns.

It took five men to roll the car off Mr. Karns' chest—four of them members of the volunteer fire department. With the assistance of Firemen Heasley, Grippi, Toms, Vanderpool, and an unidentified passerby, the auto was pushed off.

Mr. Karns, 161 N. Adams, said pushing the car in front of his house was the last thing he remembered until police arrived. He declined to go to the hospital, and Dr. Earl Gossard dressed his injuries at the scene of the accident.

### DAVEY ELECTED HEAD OF NFFE

Edward A. Davey, 84 Monterey Lane, has been elected president of the National Federation of Federal Employees. He was elected and took office in October.

The NFFE meets once a month and recent sessions have been conducted at the McCormack Hospital.

### Pupils Go Before Camera Lens Today

City School pupils will be "mugging it" all day today, Nov. 8, for photographers of the Hoff-Howard Company.

Individual student photos are being taken for the official class records, explained Charles A. Skutt, school superintendent. Parents may order prints if they wish, he added.

## NEW CITY ART EXHIBIT DUE; OPEN HOUSE FRIDAY

Artists of Sierra Madre will present a new exhibit of paintings in the City Hall Art Gallery beginning tomorrow, November 9.

The Art Guild's annual "open house" will be held Friday evening, from 8 o'clock on, with many artists and their friends expected to drop in for the informal gathering.

Marvin Weese, who is in

## 'American Creed' Appears in Parent Teacher Magazine

"An American Creed," which was authored and first published in Sierra Madre, appears in the November issue of California Parent-Teacher magazine.

The creed occupies the entire inside of the back cover.

It is reported that a reprint of the creed, which expresses the demand for a return to the moral, ethical, and spiritual values in America, also will appear in the Kiwanis International magazine.

## Classes Pick Student Body Leaders

Classroom representatives for the Student Body Advisory Committee are being chosen this week at Sierra Madre City School.

Two students will be selected from each of the three upper grade levels, grades 4, 5, and 6, explained Charles A. Skutt, superintendent.

Representatives will be meeting with Miss Betty Newton, school vice-principal. From this committee student body officers are elected, Mr. Skutt said.

## CHRISTMAS TRIANGLE IDEAS CONTEST CLOSSES THURSDAY

Next Thursday, Nov. 15, is the deadline for entries in the "Christmas Suggestion" contest on how best to decorate the Kersting Court Triangle. The Sierra Madre Businessmen's Association is sponsoring the contest for ideas on how to decorate the triangle for Christmas. "Now that the old PE Depot is gone and other landscaping work is just starting, decorating the area becomes somewhat of a problem," explained Harold Stein, association president.

Suggestions should be briefly written and include, if possible, a simple sketch of the idea. The merchants are looking for a "practical" idea from both the esthetic and financial points of view.

Any Sierra Madrean, child or adult, is eligible to enter the contest. The businessmen have voted a \$25 merchandise order good at any local store for the winner.

Entries must be at the NEWS Office before 5 p.m. one week from today.

charge of hanging the exhibit, asks local artists who have not before exhibited in Sierra Madre to bring their paintings to the City Hall Friday morning.

"Either bring your paintings directly to the City Hall or call me for information," said Mr. Weese.

# HEARING SET NOV. 16 ON NEW BUS SERVICE

## CITY AGAIN WILL HAVE ROSE FLOAT

In spite of increased costs, Sierra Madre will have a float again in Pasadena's famed Tournament of Roses Parade New Year's Day.

As float chairman, Mayor William A. Kinney has been polling various organizations on whether to go ahead with plans since constructing a parade entry may cost \$500 more this year than last. The price tag on the local float last Jan. 1 was around \$1500.

Mayor Kinney said Artist Alfred James Dewey has again agreed to design the float, and R. C. Lewis and Frank Spencer will serve on the finance committee. Theme of the 1952 parade is "Dreams of the Future."

## Police Help In Race With Stork

"My wife's having a baby in our car parked outside. Do something!"

This breathless plea was made last Thursday afternoon by A. H. Brown Jr., 1020 Cynthia, Coronet Homes Tract, Pasadena.

Sierra Madre police, although understandably nervous about this kind of an assignment, rose to the occasion magnificently.

Officer H. S. Embree quickly called for an ambulance and a doctor. Both arrived promptly and Mrs. Brown was at St. Luke Hospital within just a few minutes. The mother and child were reported "doing nicely" a short while later.

Doctors lauded the speedy action and said it probably saved the infant's life.

## Shippey's Bid For Congress Stirs Attention

Lee Shippey's announcement of candidacy for Congress, published in the NEWS last week, is focusing wide attention on the Sierra Madrean because of its unusual features.

All the Los Angeles papers carried it in part, half a dozen radio newscasters, including the Richfield Reporter, gave it prominent mention, the Associated Press and United Press sent out releases on it and several newspapers have commented editorially.

Mr. Shippey's assertion that "It is dangerous to our country when \$30,000 to \$50,000 must be spent to elect a man to a job paying a fraction of such amounts" apparently has made a deep impression. Under the heading, "Lee Shippey's Frank Challenge," the Pasadena Star-News said:

"His announcement is typical of the writer's wholesome qualities and honesty. It is also a challenge to the modern conception that one must either

Turn to page eight

## HOLIDAYS ALTER COMMISSION DATES

Next regular meeting of the Planning Commission will be held Thursday, Nov. 29, instead of on Nov. 22, it was announced by Chairman Mrs. Robert Wright. Reason for the switch is Thanksgiving Day, she said. Christmas will cause another change, the December meeting now being scheduled for Dec. 20 instead of Dec. 27.

## Garden Club To Feature 'Mirandy'

A gala guest night will welcome "Mirandy," radio and television speaker, at the Sierra Madre Garden Club's monthly dinner meeting Mon-

'MIRANDY' ... of radio, TV fame

day, Nov. 12, at the Woman's Clubhouse.

Mrs. Noren Eaton, club president, expects a record attendance to hear Mrs. Frederick S. Bauersfeld, better known as "Mirandy" to her large radio audience on KECA where she presents a weekly program of gardening.

Her subject for Monday night is "Year 'Round Bloom from Trees, Shrubs and Vines," and "Mirandy" has a wealth of experience to offer her Sierra Madre listeners.

Hailed throughout Southern California as an authority on all phases of gardening, she received the honor of having the All-American Prize winning rose of 1945 named "Mirandy" after her.

"Mirandy" is much in demand as a judge for flower shows throughout the state and also has judged national and international exhibits.

## Fund Drive Chairman Asks More Volunteers

An appeal for part-time volunteer workers for Sierra Madre's Community Fund Drive was voiced this week by Campaign Chief Hugh Warden. "Our present corps of volunteer solicitors hasn't stretched quite far enough," announced Mr. Warden. He asked Sierra Madreans who can help to contact him by phoning CUster 5-4408. "If you can only take five or ten names," he continued, "it still will be a big help. When you call, just say how many cards you have time for."

The Fund Drive still was \$2000 short of its quota of \$4928.56 Tuesday.

Mr. Warden pointed out that if a person actually feels that he can't afford to donate money he still can support the drive by offering his services instead.

He emphasized once again that the Community Fund Drive in Sierra Madre takes the place of community chest or red feather campaigns in many other nearby cities.

## PROPOSED ROUTE WOULD 'LOOP' RESIDENTIAL AREAS

Cal-Transit Lines' application to run a bus between Sierra Madre, Arcadia, Monrovia, and unincorporated parts of Duarte has been set for hearing on Friday, Nov. 16, before the State Public Utilities Commission. The hearing will be held at 10:30 a.m. in the Monrovia Elementary School administration building, 122 Linwood. B. J. Smith, owner of Cal-Transit Lines, is seeking a certificate to operate a passenger and express service between the four cities.

His proposed route would include a loop through portions of Sierra Madre's residential districts.

At its meeting last week, the Sierra Madre Businessmen's Association voiced approval of the additional bus service here, but recommended one change in Mr. Smith's suggested route.

Instead of going north on Sunnyside, the buses should go up Michillinda to better serve residents in the Coronet Homes Tract, Hastings Ranch, the association said.

President Harold Stein said the bus line, as originally proposed, is as follows: from Doubledrive west on Sierra Madre boulevard to Sunnyside, north on Sunnyside to Grandview, east on Grandview to Baldwin, and east on Sierra Madre boulevard out of town.

"The change we are recommending would mean only one additional block," Mr. Stein said.

## FBI Agent Has Class For Police

A two-night traffic investigation course conducted by an FBI agent ended for Sierra Madre police officers last night.

The course, which totaled six hours, included instruction on the overall traffic problem, including the use of records on violations and collisions, and the methods of accident investigation.

Conducting the course was FBI Agent Jack Canny. All members of the local police department attended.

### Church, Club News Deadline is Monday

Deadline for all club and church news is Monday, 5 p.m. of the week of publication.

All copy must be typewritten and include the first as well as the last names of people mentioned.

### Three Cities Have Roles in Car Theft

Three cities were involved in a stolen car incident last week-end.

The car, owned by Patrick Collins, Room 14 of the Hotel Sierra Madre, was "borrowed" at about 12:15 a.m. Saturday morning. Mr. Collins had been in Arcadia for the evening and parked it on an Arcadia street.

San Marino police notified him several hours later that his meandering auto had been recovered in that city. It was parked on Virginia street, near Huntington boulevard.

## BOARD BUYS RANCH STRIP FOR TRAIL

Another chunk in the county's proposed riding and hiking trail along the foot of the Sierra Madre mountains was approved by the Board of Supervisors Tuesday.

At a cost of \$12,000, the county acquired a permanent right of way for the trail through the Hastings Ranch property, extending from Sierra Madre Villa to the westerly limits of Sierra Madre.

The county has approached the city of Sierra Madre regarding the strip directly north of town and recently sent four officials to survey the area.

## Crews Pave Lima South Of Boulevard

Paving of portions of Lima street was completed this week by workmen of Parker Engineering Company.

The paving operation, which started Friday, extends from Orange Grove to Sierra Madre boulevard. Paving North Lima, from the boulevard to Grandview, is scheduled to begin Nov. 19.

Water main pipeline was laid on Lima, and the Southern Counties Gas Company reconditioned some of their lines. Curbs and gutters also were revamped during the construction project.

City Administrator R. Merritt Baker said the new pre-mix surface will leave Lima with much less "crown" than was there before.

### 'Armistice Day' Will Close Public School

City School pupils will have the day off Monday, Nov. 12, in observance of Armistice Day which falls on a Sunday this year.

Sierra Madre's other two schools, St. Rita's and Ascension Parish Day School, will convene for classes as usual. The Pasadena City Schools District also will not observe the holiday.

Although the bank, City Hall, and two markets will be closed Monday, most other stores will be adopting a "business-as-usual" doctrine for the day.

## "Seen Anything of a Hit-and-Run Driver?"

The answer is "NO." Our kind of customer seems to be more on the conservative side. Doesn't believe in going around hitting people, much less "hitting-and-running." Through periodic check-ups by us, he keeps his car always in tip-top driving condition...brakes in adjustment...body bolts tightened...wheels in alignment...performance and response, perfect. In short, he's the kind of driver that pedestrians love!

## 'Ultra-sonic' Instrument Arrives Here

Dr. Ralph J. Martin, Sierra Madre chiropractor, announces the arrival at his offices of one of the first 20 ultra-sonic therapy instruments to be manufactured in the United States.

Dr. Martin said that in informed circles ultra-sonics has aroused "great hope" as a potent weapon "against many forms of disease which afflict mankind."

"It already is clear that ultra-sonics is essentially a healing agent and soon will become widely used in therapeutics," he said.

The chiropractor explained that ultra-sonic therapy deals in instruments which produce sound vibrations of from 800,000 to more than a million a second. This is accomplished by means of conducting an electric current against a quartz crystal plate in the treating molecule.

Detailed descriptions of ultra-sonic therapy appear in the November issue of Radio Electronics magazine and in a recent article in the Los Angeles Times.

The California State Office of Civil Defense says: "Civil Defense is insurance. We hope we'll never have to use it, but it is best to have it."

## Groups Honor Two Birthdays

Two Friendship Club members were honored last Wednesday, Oct. 31, by a surprise birthday party.

The sewing group, under the direction of Madam Bertha Babin, and the music group, led by Mrs. Etta Leguin, presented Mrs. Ella Nourse and Mrs. Mabel Grill with cards and silk scarfs.

Tables and house decorations followed the traditional Halloween orange and black. Numerous skeletons escaped from the family cupboard and hovered around the house, according to Mrs. Alice Sedgman.

Members of the music group entertained with several vocal selections, including "Happy Birthday" for Mrs. Nourse and Mrs. Grill.

## Local Coeds Win Honors

Honors were won recently by two Sierra Madre John Muir College students who were initiated into Phi Kappa Epsilon, campus honorary service-point organization, at a dinner held at Marino Manor House, San Marino.

Sierra Madre Muirites who have won their PKE spurs are Dixie Martin, 145 W. Grandview, and Barbara Cox, 154 N. Mountain Trail.

One service point is earned by giving five hours of work to campus activities. A student must have earned 50 points, or given 250 hours of service, to be eligible for membership in Phi Kappa Epsilon. For a life membership, he must have given 450 service hours, according to Mrs. Lorraine Calkins, dean of activities.

Miss Cox is a life member of the organization.

## SERGEANT DAVIS VISITS JAPANESE BUDDHIST SHRINES

Sgt. James Davis, a 40th Infantry Division soldier, recently enjoyed a military leave in Japan. The Sierra Madiran toured the cities of Kyoto and Nara and visited many of the Buddhist shrines and temples. In a letter to his parents, Mr. and Mrs. J. R. Randolph, 170 Adams, Davis wrote: "Today I saw all the temples, shrines, and Buddhas Nara is famous for. I can hardly describe the wonderful things I saw. I visited the five-story pagoda, Kofukuji, the largest Buddha in the world, Daibutsu-den, and temples and shrines in Nara Park."

Sergeant Davis explained that the pagoda towers 150 feet and was built in 1473 to replace the first one which had been burned to the ground during a revolution.

Davis and his soldier companion hired two ricksha boys for their tour of the park.

"The 'boys' were two old men that we took a liking to immediately," wrote the local youth. "One could speak fairly good English and gave us the statistics about everything."

He said he hopes to tour the interior mountain areas on his next leave. Sergeant Davis, a former National Guardsman, is stationed at Sendai.

## Smith Begins 1st Sergeant Job in Japan

M/Sgt. Ernest R. Smith, 33 Vista Circle Drive, has begun his new duties as a first sergeant in the 40th Infantry Division at Sendai, Japan.

Sergeant Smith's new assignment with the Sierra Madre Heavy Mortar Company of the 223rd Regimental Combat Team was announced by Lt. Col. Richard F. Lynch, regimental commander. It had been informally disclosed by Capt. Sanford M. Ullman, company commander, while he was home on leave recently.

The 40th, part of a security force for Japan's main island of Honshu, has completed sea and ground training and currently is undergoing extensive air transportability training.

Smith, a student at the Sawyers School of Business in Pasadena before entering the Army on active duty last year, is the son of Mr. and Mrs. Julian LaLone of LaLone Cleaners. His wife, Dorothy, resides at 1559 N. Hill avenue.

## Birthday Luncheon

Mrs. William Burr and Mrs. George Bouvier were honored at a birthday luncheon Wednesday, Oct. 31, at the home of Mrs. Al Miller, 550 N. Hermosa. Mrs. Laurine Addwell and Mrs. William Stoddard were co-hostesses.

Other entertainment of the evening will include a ventriloquist duo-skits, "Pa—He Likes Football, Too," by Ann Stead and Warren Deley, and a musical program, presented by Joanne Trunick and Diane Wilson, all Muir students.

## Barbara Cox Helps Defeat PCC in Badminton

For the fourth consecutive year, Sierra Madre Coed Barbara Cox was a member of the John Muir College doubles badminton team which defeated Pasadena City College. Barbara, 154 N. Mountain Trail, and Altadena Marge Fulton played the match last Thursday, Nov. 1. Miss Cox, by the way, was selected the "outstanding woman athlete at John Muir College for 1951," at the annual Pasadena Sports Jamboree.

(Adv.)

## Blond Found Stuffed in Attic

Yesterday evening a blond was found stuffed in the attic of Mrs. Emil Causant's home on Third Street. The blond, with both arms missing, was first discovered by Mrs. Causant who immediately called in an official investigator. He promptly glued the arms back on. Later he took the stuffed blond piece of furniture to his place of business, generally referred to as The Drapery Shop, 31 N. Baldwin, in Sierra Madre. The considered claim of this exacting, conscientious upholstery company is as follows: "We never loaf but we have loafees (low fees)." The phone please, CUSTER 5-1255. It's an ad.

## Services Held For Banking, Oil Executive

Funeral services were held yesterday morning for Frank Robinson Forgey, banking and oil executive, who died Nov. 3 at his home, 290 W. Foothill boulevard, Arcadia.

Mr. Forgey, who passed away following a lengthy illness, had been president of the Hexagon Royalty Oil Company of California for the past 20 years. Before that, up until 1927, he had been manager of the California Bank of San Gabriel.

Mr. Forgey was born in Kansas City, Kansas, and was one of the original members of the famous Indianapolis Newsboys' Band. He came to California in 1900.

Besides being manager of the bank, Mr. Forgey served as city treasurer in San Gabriel until 1927. During the 10 years before his retirement in 1937, he was a broker and realtor in Beverly Hills. He had been living in this area for 16 years.

A member of the San Gabriel Masonic Lodge, he also was active in the Los Angeles Athletic Club and the Jonathan Club.

Mr. Forgey is survived by his wife, Genevieve Burnett Forgey; a son, Dr. Burnell G. Forgey; a daughter, Mrs. Mary Georgene Salisbury of Redlands; a brother, Ralph Forgey of Baldwin Park; and six grandchildren.

Services yesterday were held at Mr. Forgey's residence, Earl L. Robinson officiating. Grave-side rites were conducted by San Gabriel Masons at Inglewood Park Cemetery. Grant Chapel was in charge of arrangements.

## Two Bicycles Stolen from Hurwit Boys

Alan and Butch Hurwit, 203 Santa Anita Court, were much poorer but a whole lot wiser this week.

Their two bicycles—one a 2-month-old English racer—were stolen Friday night from where they had left them in the parkway in front of the house.

According to their mother, Mrs. Ralph Hurwit, the boys, 14 and 13 respectively, have been leaving the bikes in the parkway for quite some time. "We've often told them of the danger of not putting their bikes away, but I guess it did not sink in—until now."

Alan, who earned the money for his bike himself, is "heart-broken," she said.

## Bond Committee Sees Triple Buying Purpose

Sierra Madre's Defense Bond Committee which, since Labor Day has been calling for widespread support of the first U.S. Defense Bond Drive, sees a triple purpose to be served by the purchase of every bond.

R. C. Lewis, committee chairman, said this week that every time an American buys a bond, his investment helps finance the rapid rearmament which "has proved its merit in stopping further spread of Communism."

The Treasury volunteer also pointed out that the nation's bond program is an important factor in holding down the cost of living. "For the individual, there is the very worthwhile personal gain of increasing savings in a practical, convenient and profitable manner," Mr. Lewis said.

## Court Session Lacks Culprits

Sierra Madre's session of traffic court Saturday lacked one important ingredient: culprits.

City Judge John C. Mead shrugged his shoulders and went home to listen to the SC-Army football game.

## Steel Industry Film Scheduled By Lions Club

The story of America's steel industry will be unfolded for members of the Sierra Madre Lions Club this evening, Nov. 8, 7:15, at the Woman's Club house.

Lions President Harold E. Hamm is in charge of presenting the motion picture.

## Miss Evans Now Home From China

E. Florence Evans, a missionary in North China since 1929, has returned home to Sierra Madre after attempting to carry on under the Communist regime for 2½ years.

Miss Evans, who has seen more than her share of aggression and war, also was in China when the Japanese invaded that country and in Manila when it was bombed early in World War II.

The medical missionary, commissioned by the Women's Foreign Missions Board of the Methodist Church, served 22 months in Manila before returning to the United States on the second trip of the Gripsholm.

During the Communist conquest of China, Miss Evans remained at work and in her nurse's uniform for eight days while the city of Tsinan was being bombed.

She was the only foreign nurse to remain in that part of China as the Communist troops took over.

Enroute home, Miss Evans traveled virtually around the world, visiting missionaries to China from other lands. Her itinerary included stops in Hong Kong, Singapore, India, Italy, Switzerland, England, and Scotland.

## LADY LIONS STAGE HALLOWEEN PARTY

Members of the Sierra Madre Lady Lions Club entertained their husbands last week at a Halloween party held at the Al Fessler home, 167 E. Montecito.

The men and women went to the party wearing their "Favorite" costumes.

## TV Star Models Ceil Chapman Gown

Broadway columnist Dorothy Kilgallen is one of the many television stars who rely upon a fabulous American designer named Ceil Chapman to keep them beautifully gowned before the cameras. Miss Kilgallen, shown wearing a Ceil Chapman creation in white nylon tulle and candy-red silk taffeta, writes about her favorite couturiere in the November issue of Cosmopolitan magazine. She quotes Miss Chapman as saying, "I don't ever want to be influenced by Paris. I design clothes for American women, and I can do that without looking at the French collection." Each year, 150,000 women agree with her and buy gowns with Ceil Chapman labels.

## YMCA Lads, Dads to Dine

Annual YMCA father and son banquet, sponsored by the Monrovia Y's Men's Club, will be held Tuesday, Nov. 13, at Monrovia-Duarte High School.

A magician, a football coach from USC, and Dr. Boyce Van Osdel of San Bernardino will highlight the program. Elwyn Robbins, club president, has emphasized that he doesn't want to see any of the lads or dads in their Sunday-go-to-meeting clothes.

"Just come to be comfortable, and enjoy a swell time together," he said.

## COUPLES RETURN FROM VACATION

Two Sierra Madre couples were home again last week following a vacation trip to Bryce, Grand Canyon, Zion, and the inevitable stop at Las Vegas, Nevada.

The travellers were Mr. and Mrs. Al E. Morgan and Mr. and Mrs. Carl Hansen.

## School Dedicates 'Freedom Shrine'

The Freedom Shrine, a permanent exhibit of 28 authentic reproductions of the great American documents of democracy was presented formally to the trustees of Monrovia-Duarte High School District last night, Nov. 7.

Taking over where the Freedom Train left off, the shrine includes reproductions made by photographic experts of the National Archives in Washington, D.C. Local exchange clubs throughout the nation are giving Freedom Shrines to schools, cities, libraries, and community groups.

The local shrine will be housed in the M-D High School where it will be available for viewing during school-time hours. In the summer, it will be located at the Monrovia

## THANKS FOR BLOOD

Pio Lorenzini of 53 N. Mountain Trail, returned home last week after a week at St. Luke Hospital where he underwent surgery. He wants to thank all the fellows for their donations of blood.

## Doe and Her Fawn Have Brush with Death

(Editor's Note: The third installment of "The California Deer," by Percy L. Bonebrake, follows):

By P. L. BONEBRAKE

The next few days were uneventful, but one night when he had learned to get around all right, the doe coaxed him down to the spring, and after that he never left her. His life for the next few weeks was one of perfect contentment; each day was constantly unfolding new surprises for him, and on the whole he was very well satisfied.

Their peace was rudely broken one day, however. A sheep man, coming to look over the feed, went down to the spring to drink and fill his canteen. He was a mountain man, and a very observant one, too, and his eyes caught the broad trail of the two deer, as they had made it careless of all care, plain enough for a tenderfoot to read. He noted the wind, and glancing around, sought a huge granite boulder sticking far out of the ground; an ideal place to lie. He was not a sportsman. He killed for meat, and when he had enough, he did not slaughter for the mere pleasure of it. His burro, tied upon the flat some three miles away, carried no fresh meat in his pack, and his master was heartily tired of beans and bacon. Loading his gun, he would not have anything to do with those new fangled contrivances which shoot forever, and four or five times at that, an old, 45, bought at a government auction years before, and with which he was accustomed to account for every cartridge. He walked carefully away from the spring, choosing a route that would take him over the rocks and where the hot sun shone, that his scent would not lie long enough to warn the old doe.

He had not reckoned on the young sheep dog which was following him, however, and when the latter struck the trail he dashed on down the canyon, deaf to the commands of his shepherd, who threw up his gun and hesitated whether to kill the pup or not, but I am glad to say he did not shoot.

The pup traveled fast, and before long the sound of his excited yelping reached the old doe. At first she was too surprised to move, but hastily recovered herself; she called the fawn and started straight up the side of the ridge.

When she reached the top she paused a moment to look back and heard the loud baying of the dog, rapidly approaching. Thoroughly alarmed, she set off down the opposite side, running in long leaps, each of which carried her ten or fifteen feet down the steep mountain side, closely followed by the little buck, who wondered what all the fuss and hurry was about. When they reached the bottom of the canyon she headed up it for several hundred yards, then turning off, started up its side. The way was steep and rough, and the fawn was very tired, so by the time they had gained the top it was all she could do to keep him going.

(To be continued.)

## Rise, Fall of Germany Shown In Forum Film

The Community Forum will again feature George Rony in a film lecture this evening, Nov. 8, at 7:45 in the Monrovia-Duarte High School auditorium.

This second film of the series, "Europe—Yesterday, Today, and Tomorrow (Fifty Years of History)" is dedicated to Germany.

In exciting sequence it shows the old traditional Germany of Kaiser Wilhelm, the outbreak of World War I and the downfall of the Kaiser's dream. Then, in an amazing repetition of historical events, the film shows the rise to power of Hitler and his crushing defeat in the second World War.

## no "wet weather worry"

when you dry clothes electrically!

THREATENING WEATHER can't threaten a hitch in your washday schedule when you have an electric automatic clothes dryer. You can be sure you'll get your laundry out on time, and with the greatest of ease.

Indoor drying does away with the nuisance of fighting wind and rain to get your clothes hung up—and there's never a doubt about the time it takes them to dry. When you put them in an electric dryer, you use accurate, uniform heat which does the job thoroughly, turns out clothes that are clean, soft and fluffy.

In fair or stormy weather you'll smile right through washday, with an electric dryer on the job!

LAST WORD ON DRYING: of course—it's electric!

**SOUTHERN CALIFORNIA EDISON COMPANY**

## Planners OK Lot Splits

Several lot-splits have been approved by the Sierra Madre Planning Commission.

Planners okayed the application of Carl and Zola A. Colt, 595 Elm, to make their three lots into two, 100 and 95 foot frontages each.

A 20-foot lot split at 471 Santa Anita Court was granted for Mr. and Mrs. P. Clayton.

A use variance was approved for E. J. Alfrey, 326 N. Sunnyside, who wants to construct a breezeway from his garage to his house.

Commissioners ruled that P. R. Penn's property at 119 Auburn was too small for his proposed lot split.

The lot-split request of Col. and Mrs. Walter D. Thurber was "taken under advisement" until the next meeting of the Planning Commission.

## Bar Association Asks Law Change

The Foothill Bar Association this week urged repeal of the recent change in procedure for terminating real property joint tenancies, which change made court action mandatory.

The action follows similar resolutions adopted by the Cate Bar Board of Governors and the Los Angeles Bar Association.

Commenting on the local resolution, President Wilbur Garber said a court proceeding "always has been and will continue to be necessary" where an inheritance tax is involved or

land is registered under the Land Registration Act.

Mr. Garber pointed out that although much publicity has been given to alleged "excessive expense" of court termination procedure, the ordinary fee is determined on the basis of the value of the property involved. Many bar associations, he said, use a fee basis equal to one per cent of the property value.

The United States Defense Bond program is the greatest organized thrift program in history.

## Wilson School Plans Grade Level Talks

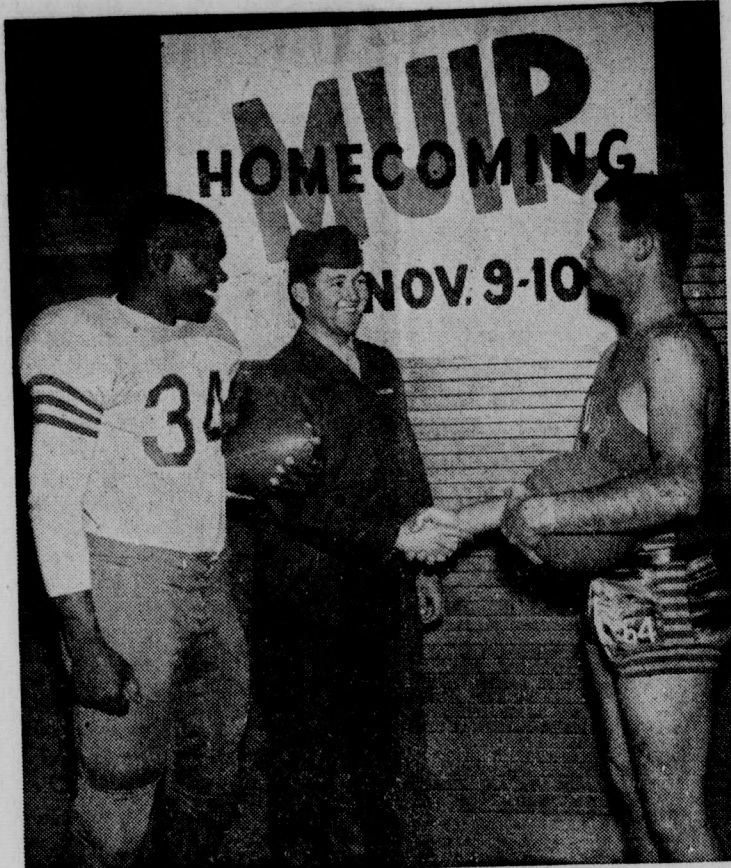

A seventh and ninth grade level meeting has been set for next Wednesday, Nov. 14, at Woodrow Wilson Junior High School. All parents are invited to attend, according to Mrs. Rex Goodcell Jr., president of the P.T.A. and Mrs. C. H. Siegel, program manager.

Mrs. Gladys Edwards, Wilson School principal, has arranged the program so every phase of the school's curriculum can be explained. She will present a 10-minute talk on report cards.

Following a brief business meeting from 7:45 to 8 p.m., ninth grade parents and teachers will adjourn to the school library where Vice-Principal Anna Mary Magnuson will be available for questions on testing.

A discussion panel, led by Moderator L. E. Rydman, will include 10 teachers.

Seventh grade parents will remain in the auditorium to hear George McNeish, vice-principal, talk on "General Problems of Orientation." Ken Smith will then serve as moderator for a panel of teachers representing each subject in the school curriculum.

PURPLE-HEART Korean War Veteran Sgt. Richard Rabago, USMC, will symbolize all former John Muir College students now serving their country at the Homecoming events this weekend. Sergeant Rabago, as Homecoming Grand Marshal, is shown above with Les Allen, sensational Muir fullback (left), and Dick Salter, captain of the alumni basketball team which will play the Muir varsity Friday night.

## Local People Attend Federation Meetings

Five Sierra Madreans attended the 20th annual conference of the Los Angeles County Federation of Community Coordinating Councils Saturday, Nov. 3, in Whittier.

Representing the Sierra Madre Coordinating Council were Mrs. Daniel L. D'Arcy, president; Mrs. P. R. Woodworth, past president; Mrs. Etta LeGuin, Mrs. Delbert Haskell, and Mrs. Donald Metzger.

The meeting stressed the importance of organized community action in solving delinquency and other civic problems.

## Dr. Roddy To Speak At Bethany

Dr. Clarence Roddy, professor of practical theology at Fuller Theological Seminary in Pasadena, will speak at the 11 a.m. worship service of Bethany Church Sunday, Nov. 11.

Dr. Roddy is the former pastor of the Baptist Temple of Brooklyn, N. Y., and also served the Eastern Baptist Seminary of Philadelphia, Pa.

"He is one of America's outstanding pulpiteres and we count it a rare privilege to have him with us for this one service," said the Rev. Don B. Root, Bethany pastor.

Everett Black, student at Fuller and teacher of the Ambassador Class at the church, will supply the pulpit for the 7:30 p.m. evangelistic service.

## Muir to Present Handel's 'Messiah'

Handel's stirring Christmas oratorio, "The Messiah," will be presented by the John Muir College music department in Mead Auditorium on Sunday, Dec. 9, at 4 p.m. in a free public performance.

Earl Narramore, Muir College choral director, points out that faculty and many community guest singers will combine with the college glee clubs and a cappella choir to make up a chorus of about 300 voices. Nationally known Southern California artists are now being interviewed to appear as guest soloists.

## Sound, Color Tithing Film Here Friday

"God Is My Landlord," 45-minute sound and color film made with the purpose of increasing stewardship and tithing throughout the world, will be shown at Sierra Madre's Church of the Nazarene tomorrow evening, Nov. 9.

Presentation of the dramatic film, by the Rev. R. J. Kunze of Compton, will follow the church's family-night pot-luck dinner at 6:30.

According to the Rev. O. G. Burlison, pastor, the film illustrates how community cooperation in a religious demonstration brought together all faiths in a great Christian project.

It tells how one cubic inch of wheat grew to 72,150 bushels during a world-famous Biblical wheat tithing experiment. This experiment was one of the last public activities aided by the late Henry Ford.

The Rev. Burlison said all Sierra Madreans are invited to view "God Is My Landlord." The dinner will be in the church fellowship hall, and the motion picture, scheduled for around 8 p.m., will be shown in the auditorium.

## Marine Vet To Lead Muir Homecoming

Through the cooperation of the United States Marine Corps, Homecoming Weekend at John Muir College will have as its Grand Marshal Sgt. Richard Rabago, Korean veteran and former basketball and baseball star at Muir College.

Relieved of his regular duties as combat instructor at Camp Del Mar, California, Sgt. Rabago will represent all Muir students and alumni who are now in the service of their country by attending each of the three Homecoming events plus a special pep assembly to be held in the Muir auditorium today.

Sgt. Rabago, better known to his teammates at Muir as "Tiger," carried the honor of Muir and the Corps into the desolate battlefields of Korea after being called up by the Marine reserve last spring.

During his 10-month tour of duty, he survived the "frozen march" back from the Choson Reservoir only to be wounded by a Chinese "burp" gun while acting as a forward artillery spotter for the 11th regiment, 1st Marine Division at Wonsan.

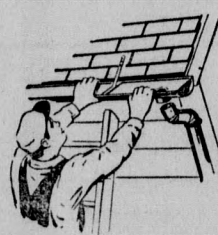

Richie will receive a hero's welcome at a basketball game between the Muir alumni All-Stars and the Muir varsity on Friday night in the Pasadena City College gymnasium, at the football game between the Mustangs and the Los Angeles City College, and at the dance following the football game at the Altadena Town and Country Club besides the student body assembly on Thursday.

The football game and dance are being held appropriately on the birthday of the U.S. Marine Corps, November 10.

Also in remembrance of all those who will be unable to attend the Homecoming festivities because of duties in the armed services, the Muir Mustang Band will supplement their ranks with a color guard made up of one representative of each branch of the service.

Chairman Don Stewart expects upwards of one-thousand Muir alumni both from Muir College and Muir Technical

## LETTERS TO THE EDITOR

Editor, Sierra Madre NEWS:  
Hurrah for Mrs. Patricia Witter! She has suggested the perfect name for the downtown triangle.  
"The Plaza" suggests the center of town, the meeting place, and is certainly in keeping with the beautiful Spanish name of our town.

The name of some worthy citizen will mean nothing 50 years from now, but "The Plaza" will always stand for the historic background of our beautiful state of California.

Sincerely,  
JANET S. WOOD

Editor, Sierra Madre NEWS:

We would like to call your attention to a misstatement of fact which appeared in your edition dated Thursday, November 1, 1951. In the article reporting the preliminary injunction issued against Col. and Mrs. Thurber you stated as follows: "The Thurbers say that they were told by the Planning Commission and Mr. Cornyn that their proposed building was within the meaning of the law."

The Thurbers' statement to you infers that we had given our full approval to their project. Actually the Thurbers are mistaken because this matter has never officially come before the Commission. We did not pass judgment or give approval in any way to their action.

We feel that you will be interested in setting the record straight on this matter and therefore we would appreciate either your printing this letter or amending the article in your own words in your next edition.

Yours very truly,  
LORANCE W. LISLE  
Secretary  
Sierra Madre Planning Commission

Editor, Sierra Madre NEWS:

In the last issue of the Sierra Madre NEWS, you state that the tax money returned to Sierra Madre is just "plain gravy for the stay-at-home teetotaler." This indicates that you do not know that Los Angeles County spends \$3 to control crime resulting from the use of liquor for every \$1 it receives in liquor taxes. Judge William R. McKay is the authority for that statement. Who pays the other \$2?

What are the services, "the other services," you refer to? Is it the service of an extra police officer to cope with the results of this drinking toward which the teetotaler has "not had to pay anything?"

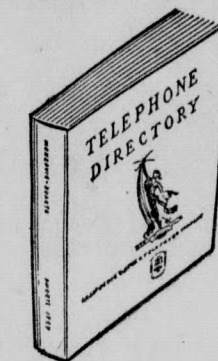

Extra taxes caused by the liquor traffic are paid by the "stay-at-home teetotaler" as well as by those that drink. For every \$2500 received from alcoholic beverage taxes, the public pays out \$7500 in taxes as a result of this business. Nobody profits from this business except the liquor business.

Your very truly,  
(MRS.) EMILY G. CROCKETT  
137 E. Sierra Madre Blvd.

(Editor's Note: Our attempt to breathe a little life into drab statistical figures and include simplified illustrations was unfortunately construed as a slur on teetotalers. It was not, we assure you, intended as such.)

CONCERT SERIES

The Pasadena Philharmonic Committee, in cooperation with the Southern California Symphony Association, is presenting a series of six concerts by the Los Angeles Philharmonic Orchestra. They are being held in the Pasadena Municipal auditorium. The first, held Wednesday, Nov. 7, featured Leonard Pennario, brilliant American piano virtuoso, as soloist. Thursday, Dec. 6, there will be a symphony concert, and Sunday, Jan. 6, the renowned Brazilian pianist, Guilford Novais, will be soloist.

Women's Activities

Visitors from China And Belgium Here

Mr. and Mrs. J. Capelle de Faveaux of Shanghai and Hong Kong, China, and Chateau de Mont, Anhee, Belgium, were guests of the Garland F. Smiths, 96 E. Grandview, this week.

Capelle was Salt Administrator for the Chinese Government for many years prior to the occupation of China by Japanese forces. For several months of the occupation, they subsisted as refugees in Indo-China during which time Mr. Capelle was an instructor of languages. Upon their return to Hong Kong, he represented Belgian commercial and steel interests. His visit to the United States last year was his first in 17 years. Mrs. Capelle's first departure in 30 years from the Orient.

The Capelles have just returned from several months in Europe and will take residence in San Francisco, where Mr. Capelle will be in charge of that branch office of Mr. Smith's firm, International Development and Engineering Association.

Junior Red Cross Drive Going 'Nicely'

Annual Junior Red Cross enrollment drive and gift box program is "going nicely" this week at Sierra Madre's three schools, according to Mrs. Florence Peterson, executive secretary of the ARC Chapter here.

No official figures on enrollment have been announced yet, however, she said.

By joining the JRC, pupils are able to cooperate actively with the regular American Red Cross program. The memberships are by classes, not by individuals.

Money collected beyond the 50 cents per classroom fee is sent to the National Children's Fund for spending on needy boys and girls in the United States and abroad.

Mission Aid Group Meets for Dessert

Mission Aid of the Lutheran Church will meet at 12:30 today, Nov. 8, at the upstairs section of the Woman's Clubhouse.

A dessert luncheon will be followed by a talk by Mrs. A. Leowe of Whittier, speaking on "Women's Work Among the Blind."

A business meeting will follow the program. Co-hostesses for the event are Mrs. R. Dugan and Mrs. Dorothy Megan.

Local Boys Meet In Korea

Pfc. John W. Lorenzini and Pvt. Boyd Smith, both of this city, met by coincidence recently while serving with the U.S. Armed Forces in Korea. This was their first meeting since leaving Sierra Madre on the same day eight months ago for induction at Fort Ord.

John Lorenzini, who is attached to Headquarters of the First Cavalry Division, relates in a letter to his parents: "We were up at one of the First Cavalry Division's regiments with our mobile P.X. We were open and selling to the troops when I looked out of the selling window and saw Boyd. We were both very much surprised, and talked for about 15 minutes and then he had to get back to his company area. Boyd is in the 5th Regiment on the First Cavalry Division. It is quite a coincidence that we are both in the same division. Boy, was it good to see someone from home!"

CIVIC CLUB MEETING

The regular meeting of the Civic Club will be held Thursday evening, Nov. 8, at the Parkhouse. Mrs. Florence Hutter and Mrs. Pat Wade will be hostesses.

OPEN DOOR TO HEALTH

Dr. Ralph J. Martin  
CHIROPRACTOR  
28 W. Sierra Madre Blvd.  
Hotel Arcade CU. 5-1138

This week we shall digress from a continuation of our regular theme to announce that we are now equipped in our offices with the latest form of ultra-sonic therapy and diagnostic instrument. Ultra-sonics is a brand-new therapy in America. Our instrument is one of the very first to be assigned to American doctors. Ultra-sonic therapy has been thoroughly tested in France, Germany and England ever since the close of World War II. G. Barth and F. Wagnmann (Medical University Clinic, Erlangen) published in "Strahlen-therapie 78" (1948) some of their results as follows:

NEURALGIA: Patients were neglected cases. No results by usual methods. Good results, especially in sciatica with decrease of pain.

ARTHRITIS: Especially of articulations reacts favorably with decrease of pain.

PROSTATITIS: Relief of pain.  
ULCERS, Gastric and Duodenal: Of 93 patients treated, 89 cases felt total relief after 6 treatments. No hemorrhages found during treatment period. Recurrence in only four cases.

ASTHMA: 60 cases treated with ultra-sonics, 29 cases with complication, 39 cases were completely cured, 13 improved to point of negligible symptoms, 2 cases resisted treatment.

Ultra-sonic therapy is a recognized addition to the field of physiotherapy. It has a sound scientific basis for application to many diseases.

Persons with conditions which have resisted other forms of therapy may find new hope in this powerful new weapon against sickness and pain. (Adv.)

DISCUSSING PLANS for the 160th anniversary celebration of the Bill of Rights, Dec. 9 to 15, are (left to right): Ray Brown, an Arcadia resident and supervisor of social studies for the Los Angeles Senior High Schools; Mrs. Dorothy Smith, coordinator of secondary curriculum for Glendale's Unified Schools; and Dr. C. C. Trillingham, superintendent of the Los Angeles County Schools. Bill of Rights Week chairman is Joe Crail.

MUR 'CAREER DAY' PLANNED

Doctors, merchants, ministers, actors, and newspapermen will be among the 35 guest business people who will participate in the annual John Muir College Career Day, sponsored by Muir's 45 clubs on Friday, Nov. 9, at 10:45 a.m.

Among those scheduled to discuss vocations with Muir students are Clinton Wright, Narcotics Division of the Pasadena Police Department; Frank Tremaine, head of the Southern California United Press Bureau; Oliver Prickett, publicity director of the Pasadena Playhouse; and the Rev. Donald M. Wilson, Board of Foreign Missions, United Lutheran Churches.

Canadians Return Home

After a two-week visit with their cousins, the Bradleys of 267 N. Baldwin, Mr. and Mrs. Bob Bradley and his sisters, Mary and Ann, left last week for their home, Charlottetown, Prince Edward Island, Canada. The visiting Bradleys were very much impressed by the beauty and climate of Sierra Madre and are already planning a flying trip back in the future.

Hank Mann Said 'Doing Better'

Hank Mann, co-owner of the Sierra Madre News Stand, is "doing a little better now" following a relapse last week.

Mrs. Mann, the screen actor's wife, said "it's a slow, slow battle," but indicated he probably would be home by Christmas.

Mr. Mann, one of the original Keystone Kops of movieland fame, is a patient at the Motion Picture Country Home and Hospital in Calabasas.

Assist Needy

The members of the San Gabriel Valley Club of Alpha Gamma Delta are doing something about "Welfare Needs in This Area," the subject of their last month's speaker. Sewing and knitting for the Pasadena Welfare Department's layettes will be finished at the meeting Thursday, Nov. 15. Mrs. Albert Rogers, 826 Monte Verde Drive, Arcadia, is the hostess.

An ounce of prevention may save more than 100 pounds of flesh—yours.

BIRTH RATE JUMPS

Two births were reported this week at the Sierra Madre Hospital. Mr. and Mrs. Malcolm Gerschler of 174 E. Montecito, are the proud parents of a boy born Sunday, Nov. 4. They have named him Anton Carl.

Mr. and Mrs. Anthony G. Griffo of 320 Monterey, Monterey, are receiving congratulations on the birth of a girl.

Sharon Leigh, born Saturday night, Nov. 3. Mrs. Griffo is the daughter of Mr. and Mrs. R. V. Jones of N. Mountain Trail.

## Field School Parents Meet With Teachers

Grade level meetings will continue this evening, Nov. 8, at Eugene Field School, Hastings Ranch, Pasadena, with parents of fourth, fifth, and sixth grade children meeting in the auditorium at 8 p.m.

A short general session will be followed by discussions with individual teachers in their own classrooms. Mrs. Marvin Gold, school education chairman, hopes these meetings will result in continued close cooperation and understanding between parents and the school.

Room mothers and character education leaders were guests yesterday at the regular executive board meeting of the Field P-TA held at the home of Mrs. Eldon Osborn.

A clothing drive is being conducted this week at Field School for the P-TA clothing exchange. All kinds of children's clothes and shoes are needed.

## NANCY WELCH NOW MEMBER OF SORORITY

Nancy Ann Welch of 50 Montecito, a junior at the University of Southern California, has been initiated as an active member of the SC chapter of Alpha Delta Pi social sorority.

A graduate of Flintridge Sacred Heart Academy, Miss Welch is a student in the department of music education and is also a member of Mu Phi Epsilon professional music society. She formerly attended Immaculate Heart College.

## TB Seal Drive Starts Nov. 19

Mail campaign of the Christmas Seal Tuberculosis Fund Committee will open Nov. 19, and booth sales and sales through the "self-service" merchandisers will begin the week of Dec. 3, Sherman Asche, chairman, announced yesterday.

Chairmen and volunteer workers are now being selected in more than the 105 communities and shopping districts in Los Angeles County.

### NOTICE OF SCHOOL DISTRICT BOND ELECTION UNDER SECTION 18225, EDUCATION CODE

NOTICE IS HEREBY GIVEN TO the qualified electors of the Sierra Madre City School District of Los Angeles County, California, that, in accordance with the provisions of the Education Code of the State of California, an election will be held on the 4th day of December, 1951, at the Sierra Madre City School, 141 W. Highland Avenue, between the hours of 7:00 a.m. and 7:00 p.m. (during which period and between which hours the polls shall remain open), at which election the following separate and independent questions shall be submitted to the qualified electors of said District and be voted upon:

**PROPOSITION NO. 1**  
Shall the Sierra Madre City School District of Los Angeles County, California, incur a bonded indebtedness of ONE HUNDRED TWENTY-FIVE THOUSAND DOLLARS to provide funds for the purpose of repairing, reconstructing, or replacing the main classroom wings, the auditorium, and the cafeteria units, of the Sierra Madre City School building found to contain defects tending to make it unfit for the proper housing of the children?

The said bonds proposed to be issued and sold shall bear interest at a rate not to exceed five per cent per annum. The interest for the first year shall be payable in one installment at the end of said year and all interest thereafter shall be payable semiannually. The number of years said bonds, or any series thereof, are to run shall not exceed twenty-five (25) years from the date thereof or the date of such series thereof.

**PROPOSITION NO. 2**  
Shall the maximum tax rate of the Sierra Madre City School District of Los Angeles County, California, be increased in the sum of sixteen cents per one hundred dollars of assessed valuation for such length of

time as will permit raising sufficient funds for the repair, reconstruction, or replacement of the Sierra Madre City School building found to contain defects tending to make it unfit for the proper housing of the children?

**PROPOSITION NO. 3**  
Shall the school building of the Sierra Madre City School District of Los Angeles County, California, be abandoned and tents or other temporary structures be used in lieu of the building abandoned?

The following named persons, being competent and qualified electors of this school district, are hereby appointed officers of election to conduct said election: Mrs. Henrietta G. Hinkley as Inspector, and Mrs. Marie C. Lord and Mrs. Juanita E. Caskey as Judges, and said inspector and judges shall make return of said election pursuant to law.

IN WITNESS WHEREOF we have hereunto set our hands this 27th day of October, 1951.

## FIRE FLAMES

A fire call last week brought out the value of thorough building inspection. A fireplace built before the days of rigid inspection was poorly constructed and resulted in the inevitable—a fire in the wrong place.

Had this been legally inspected it would not have passed. Cement poured upon wood, and even touching the joists, became hot enough to char the wood. The dense smoke would soon have become hot flame had it not been discovered and extinguished early.

After construction—all wood must be removed from near the cement of the fireplace. A good step that saved the house from great damage.

And once more, we want to praise the work of a very brave little woman for her work with the much heralded garden hose. Mrs. "Larry" Gonzales, who kept smelling woodsmoke for a long time, finally discovered the white nuisance seeping from the floor. Not to be overcome with such a matter, she immediately called for the firemen, and then went to work.

Connecting up a long section of hose to the nearest faucet she dragged it beneath the house and started cooling off what was about to become a menace to her good housekeeping. On the arrival of the fire department she had the fire well under control, and glad to relinquish her foothold beneath the fireplace. With smoke-filled eyes, Mrs. "Larry" turned over the duties of fireman to Ed Decker and a crew of men from the Fire Department who soon had the fire out.

Another call was the result of a new furnace creating undue smoke. It was blamed on an accumulation of wooden trim and shavings that gathered during the building of the new house. This was a very unpleasant job for Kelly and Duff. Both boys took their share of the smothering smoke beneath the house where there was not an overdose of space.

We will miss "Art" Johnson. Art was an active member of the fire department and had been since 1937. During this period, he answered many fire calls.

While employed with the city as a policeman, he was responsible for much of the night duties of a fireman. In the old days when the police were really the firemen, Art was

among those present.

Being one of the members when much Christmas toy repairing was done—his mechanical ability was of great help. We are to meet tomorrow without him. His objections to the delays of ending of the meeting will have to be carried on by somebody else.

He will not be at the door to remind those who are late that a fine is due. His favorite seat will be vacant. His passing from our midst has stunned us all.

We will miss him tomorrow

when the meeting starts, and he will not be there to answer the roll call.

It is loathsome to keep reminding readers and residents of the horrible results of fire. It would be wonderful if we could just forget it. The only catch is that if we do forget it, someone is sure to get careless and then troubles begin.

If we can just keep the fires from getting started—it doesn't seem that being reminded of the danger is too boring.

Let's keep the FIRES OUT.

## Brent Brotherton Babbles: Whoop-de-do and tra la!

"Folks—I'm so excited! I have the honor and privilege of announcing to you (those who do not remember) that in fourteen years I will be as old as my ancestral restaurant is this week! The folks told me to extend to you my heartiest thanks for your patronage through all these past years, and I hope you will continue coming for another fourteen years, and more, so I can get personally acquainted too! Grandma Clyde told me my Daddy helped in the restaurant from the time he was eleven years old. He says times have sure changed since that memorable day, Nov. 3, 1937, when he and Grandma Sylvia opened the doors and served thirteen people full course dinners at 50c each! Now our dinners range from 75c to \$1.25.

## E. K. Herr Dies at 98

Death came Wednesday, Oct. 31, to Elam Kendrick Herr at the age of 98.

Mr. Herr, a resident here seven years, was born in Lancaster County, Pennsylvania, Sept. 19, 1853.

He was a member of the Methodist Church and Knights of Pythias Lodge in Bloomfield, Iowa.

Mr. Herr is survived by two daughters, Mrs. Ella Johnson of Sierra Madre, with whom he made his home until shortly before his death, and Mrs. Merlan Frick of Claremont. He also leaves a sister who lives in Lancaster County.

Private services were conducted Thursday, Nov. 1, at Pasadena Mausoleum. Grant Chapel was in charge of funeral arrangements.

## Broadcast Traces Museum History

"The Museum Reporter," a new weekly broadcast heard every Wednesday at 1 p.m. over Stations KFAC AM-FM, presents Morton Levine with news and background stories of the Los Angeles County Museum in Exposition Park.

Such subjects as "Who Pays for the County Museum?", "Why Does the Museum Show Modern Art?", and "An Expedition in Search of Mexican Jade and Vampire Bats," have been presented.

The program, intended to acquaint more people with the museum and its work, has resulted in numerous requests for copies of the scripts and additional information.

FLORENCE McLAREN  
Southern Counties Gas Company  
Home Service Director  
OLD-FASHIONED SOUP  
NEW COOKING TIP

Good, old-fashioned split pea soup makes a wonderful feature for a family supper. And it will be especially good on a nippy winter night.

Now, wouldn't you like a new cooking tip for this fine old favorite?

We've found a new method that eliminates bothersome hours-ahead soaking and long-time cooking. In fact, you can serve this new-style split pea soup in less than two hours from the time you sort the split peas.

Other dried vegetables can be cooked this new way, too. And here's how to do it.

**NEW QUICK WAY TO COOK DRIED PEAS AND BEANS**

Sort, measure and wash the required amount of dried vegetable. Put into a covered utensil. Add 1 tsp. salt and 3 to 4 C. cold water for each cup of dried vegetable. Bring to boil and boil for only 2 min. Turn off the flame and let stand for just 1 hr. Then bring to a gentle bubble and cook until tender. Split peas take only 40 minutes, and you'll find the cooking time for other dried vegetables is greatly shortened, too.

An ample bowl of hearty soup, a crisp salad and a rich fruity dessert such as pineapple upside-down cake makes an excellent menu for the family supper.

**SPLIT PEA SOUP**

- 1 C. split peas (½ lb.)
- 4 C. water
- 1 tsp. salt
- 2 Tbsp. ham drippings or butter
- 1 small onion, chopped
- 1 small bay leaf
- ½ tsp. thyme
- ½ tsp. pepper
- 1 tall can evaporated milk
- 4 or 5 drops tabasco

Wash peas. Add water and salt. Boil for 2 min. (use tight-lidded pan). Turn off flame and let peas stand for 1 hr. Add ham drippings or butter, onion, bay leaf, thyme and pepper. Cover and bring to boil. Reduce flame and simmer until peas are tender (about 40 min.). Just before serving add evaporated milk, and tabasco. Check seasonings and add more if desired. Heat soup for serving but do not let it boil.

**PINEAPPLE UPSIDE-DOWN CAKE**

- 3 Tbsp. margarine
- ¾ C. brown sugar
- 1½ C. crushed pineapple
- ½ C. chopped walnuts
- 3 eggs, separated
- 1 C. sifted flour
- 1 tsp. baking powder
- ½ tsp. salt
- 1 C. sugar
- 4 Tbsp. pineapple juice

Melt margarine in 10-inch skillet or 8"x8"x2" pan. Sprinkle in brown sugar, pineapple and nuts. Heat over low flame only till syrup bubbles. Sift flour, baking powder and salt together. Beat egg yolks thoroughly. Slowly beat in sugar. Add one-half of the dry ingredients and mix well. Stir in pineapple juice. Mix in remaining dry ingredients. Fold in stiffly beaten egg whites. Pour batter over fruit mixture. Bake at 325° for 45-50 minutes. Turn on to serving plate as soon as baking is completed.

## What Trees Do We Want? Ask Planners

The Planning Commission this week asked an "expression" from Sierra Madreans regarding what trees they want for the city's parkways.

At Tuesday night's meeting of the Coordinating Council, Commission Chairman Mrs. May Roberts de Wright said the planners are anxious to unify the parkway trees as much as possible, but are uncertain as to which trees residents prefer.

The commissioners, as a body, prefer the liquidamber tree, she said.

W. E. Bowers, chairman of the PC forestry committee, has a list of trees considered suitable for parkway planting and will make it available to residents by request.

"HE DONE ...

From Page One

good in other ways, too. Fran Eakman, who has a microphone concealed in his throat, launched the show with a solo and community singing.

Then the villain, Joe Hinojos, began pursuing the heroine, and how. Joe certainly twirled a wicked mustache. No Theatre Mart villain had anything on Joe in either costume or performance. Mary Rence was the maid pursued and, wicked though Joe was, most of the males present seemed to want to join in the pursuit.

Betty Mecca was the society matron and caricatured the role most effectively. B. J. Burns, who was her lovely but dumb daughter, the first object of false Joe's attentions, and Dorothy Mack, her scheming

## Burglar Breaks Into Local Hotel

A box of groceries was stolen, then abandoned right outside, in a burglary of the Hotel Sierra Madre restaurant Friday night.

Ed Hupfeld, hotel manager, discovered the break-in shortly after 10 a.m. Saturday.

Police surmised that the intruder was intoxicated since he abandoned his loot. The restaurant part of the hotel has been unoccupied for several weeks.

rival, both did all their parts would let them.

George Burns was the hero, with nobility and muscle sticking out all over him. Between them wrong was most happily righted and everyone had a good time.

Then came an olio good enough to pass for real butter. The Narcissus act, with Tiny Scalso and Gwen Dewey was worth writing home about. Barbara Heasley's "I Don't Care" was real art of its kind. So were Louise Kortkamp's two songs, and Charlotte Bush's songs with Charles Hazeltine.

The Barbershop Quartette was not one of those which makes you thank God for the safety razor. Robert LaLone's guitar act, Ruth Miles' novelty Eddie McCloskey's songs of yesteryear and Helen Obazawa's remarkable voice all brought the house down, so one sometimes wondered if it would ever be set up again. "The Dance of the Camptown Jockeys" — Mary Storton, Cynthia Elliot, Gwen Dewey, Bonnie Hoover, Jean Tate and Elsie Ohs — was a whiz-bang success and Barbara Heasley and the "Dance Depreciation Corps" wound the show up with whoops.

One couldn't overlook the pianists. Don Parker kicked the show off with some ivory banging which set everyone's toes tapping and Ruth Harris and Joe Bush kept up the sprightly pace. And the general amusement was increased by the fact that many in the audience came in costume. Percy Bonebrake, wearing a stovepipe hat and looking like a first-nighter of the gay nineties, sat in front and was almost part of the show. A fashion reporter would have found plenty to write about in other costumes.

## PRIVATE RITES CONDUCTED FOR W. H. LAUGHLIN

Mr. and Mrs. Louis Van Iersel, Sr., of 150 E. Montecito, are proud grandparents of a girl born Friday, Nov. 2, at St. Luke Hospital. Oh, yes, the baby girl's parents are the Louis Van Iersel, Jr., who live in El Monte.

## CHECK ON ARM SIGNALS

Check up from time to time on the manner in which you give arm signals, advises the National Automobile Club. Other drivers have annoyed you from time to time with their vagueness and indecision in this respect. Are you annoying other drivers?

## CONVALESCING

E. B. Pohle, 78 W. Olive, who has been seriously ill for three weeks at the Sierra Madre Hospital, has been moved to a rest home in Pasadena.

Mr. Laughlin, a vice-president of the Pasadena First National Bank, was reported to have leaped to his death from the seventh floor of the Security Building, Colorado and Maren-go. Notes left by Mr. Laughlin indicated failing health as his reason for suicide.

## Phone in Garbage Grips to Station

If you have a complaint or query regarding the pickup of tin cans and garbage, phone Andy Liscomb's Union Service Station, 4 N. Baldwin avenue.

Martha Matolan, city contractor, said her truck drivers will check in frequently at the station and get their "re-call" assignments. The station phone number: CUster 5-3337.

## Nutrition Talk Due in Monrovia

Adele Davis of "Let's Cook It Right" radio fame will discuss "Nutrition as Applied to Every Day Living," at a meeting of the Monrovia Chapter of the American Academy of Applied Nutrition at the Mayflower School auditorium, Monrovia, Wednesday, Nov. 14, at 8 p.m.

Miss Davis will be the first speaker in a series of prominent nutritionists to lecture in Monrovia under the auspices of the academy.

A \$75.00 United States Defense Bond held 20 years will be worth \$133.33.

## SHIPPEY'S BID From page one

er be well-to-do or have backing with a full war chest. Lee said he was running only on condition that no costly expenditures be made on his behalf; that he wanted no obligations except to my country, my district and my conscience."

The editor of the Newhall Signal, however, wrote: "I admire your guts but deplore your judgment. The best definition of politics I know is this: Politics is the art of getting money from the rich and votes from the poor on the promise to protect each from the other."

T. M. Storke, editor of the Santa Barbara News-Press,

## Rehearsals Start For 'My L.A.' Show

With opening date fast approaching, Producer-Director William Trenk has announced that rehearsals started this week for the big musical show, "My L.A."

The world premiere of this much-discussed show is set for Nov. 28 at the Forum Theater, on Pico boulevard just east of Crenshaw, Los Angeles.

wrote: "We need more men with such altruism in politics, but unfortunately there seems less and less altruism in politics today."
